## Human Resources Department

## HIRING DATA REPORT

## EMPLOYEE HIRING AND STAFF COUNT REPORT

The Human Resources Department has been reporting employee hiring and staff data since the academic year 1992/1993. Staff have recorded the EEO data for new hires for all employee groups (Faculty, Classified, and Administrators). Staff data is provided in compliance to the State Chancellor's Office by the Office of Research.

This report contains charts that reflect data for academic years 1992/1993, 1997/1998, 2002/2003, 2007/2008, 2012/2013, 2017/2018, and 2020/2021. Data sources include:

1) the Human Resources Hiring and Employee Data Reports (Hiring \& Employee Data Report (ccsf.edu); 2) Human Resources Hiring and Employee Data Reports Archives; and 3) California Community Colleges State Chancellor's Office - Student Enrollment Status Summary Report (California Community Colleges Chancellor's Office - Data Mart (cccco.edu);

The Board of Trustees adopted the latest update to the College's Equal Employment Opportunity Plan on May 30, 2019. EEO Plan Component 1: Introduction states in part, " To properly serve a growing, diverse student population, the District will endeavor to hire, retain, and promote a diverse faculty and staff who are sensitive to, and knowledgeable of, the needs of the continually changing student body it serves." Charts in this report will show that classified and administrative staff hiring is fairly representative of the College's student enrollment population; however, as a College we have not been as successful in faculty hiring over the course of the last 28 years despite our decreasing student enrollment. Little progress has been made in diverse hiring of faculty as shown on the charts on page 5 , and the staff data tables and charts on pages 7 to 11 .

Especially notable in faculty hiring is a consistent trend for departments to rely on the emergency hire process when hiring adjunct faculty. Data also reflects that the majority of full-time tenure-track new hires are selected from internal candidate rankings. Refer to the chart on page 6.

When considering diversity in hiring, specifically in regards to faculty hiring it is necessary to review search committee member composition. The Faculty Hiring Procedures, adopted by the Academic Senate and Board of Trustees on June 27, 1991, outline in section, "Search Committee" that the backgrounds of members of the search committee should be consistent with Federal and State guidelines on race and sex, and whenever possible members of protected groups shall be included and it is recommended that the committee reflect the diversity of the student-population, the work force, and the groups named in the non-discrimination statement. We find that despite efforts to attain diverse representation on search committees, we regularly see
the same individuals serving. This is usual for faculty and administrative hiring. See tables on pages

Future Plans to increase hiring from underrepresented groups include:

- Encourage the Board of Trustees to include diversity, equity, and inclusion in developing the College Mission Statement
- Establish reporting measures and accountability by leadership to monitor equity goals and outcomes in hiring pools while in progress
- Encourage the Board of Trustees and the Academic Senate to review and the Faculty Hiring Document adopted in 1991
- Re-open and extend recruitment if applicant pools are not diverse
- Commit to workforce enhancements, including working toward a welcoming Campus Environment and put in place a mechanism for continuous feedback
- Establish a comprehensive diversity framework that promotes social justice and equity throughout the College
- Begin recruitment for FT Faculty in early Fall to attract larger and more diverse applicant pools
- Recommend Implicit Bias Training for all search committee members
- Increase targeted advertising in publications/job posting sites that target diverse applicants (i.e. Minority Academic and Professionals Associations)
- Allocate new EEO funding for increased targeted recruitment of underrepresented groups
- Continue implementing the Diversity Statement Rubric
- Implement Employee Mentorship Programs; re-institutionalize the Faculty Diversity Internship Program (FDIP) and the Grow Your Own (GYO)
- Support ongoing professional development trainings on: equity-oriented teaching strategies; the importance of diverse faculty and leaders; providing students' with a sense of belonging and inclusivity; and improved academic engagement of students
