Presented to the Participatory Governance Council (PGC) – September 1, 2022

Submitted by Kristin Charles and Sheri Miraglia, Accreditation Steering Committee Co-Chairs

Accreditation Steering Committee Objectives for 2021-22¹

1. Monitor the timeline and process for developing the Institutional Self Evaluation Report and ensure that there is broad participation
2. Receive draft responses to the Standards and other elements of the ISER and provide feedback
3. Finalize draft ISER for Fall 2022 Collegewide feedback
4. Prepare and submit annual and fiscal reports to ACCJC
5. Respond as necessary to requests from ACCJC related to being on enhanced monitoring

Progress Related to Objective 1 (Monitor ISER Timeline and Process/Ensure Broad Participation), Objective 2 (Receive Draft ISER Responses and Provide Feedback), and Objective 3 (Finalize Draft ISER). We are still in the process of editing the Institutional Self Evaluation Report (ISER), although we have begun releasing draft sections of the ISER per a collegewide email on August 30. These draft sections are accessible via the Accreditation web page: www.ccsf.edu/Accreditation

We will be collecting feedback via an online feedback form (also accessible via the link above) until September 26. All constituent groups will have additional opportunities for input beyond that date through participatory governance.

Accreditation forums will take place on the following dates (please join us!):

- Thursday, September 8, 12 pm - 1 pm
- Friday, September 9, 12 pm - 1 pm
- Wednesday, September 14, 3 pm - 4 pm

All sessions will take place via the same zoom link: <https://ccsf-edu.zoom.us/j/84169540614>

Forum topics include an overview of the purpose and process of accreditation, a review of the standards, improvements we've made or need to address, and how individuals can provide feedback on the draft sections.

Progress Related to Objective 4 (Prepare and Submit Annual and Fiscal Reports). These reports will be due in Spring 2023 (likely in early April).

Progress Related to Objective 5 (Respond to Requests Related to Enhanced Monitoring). Actions to address ACCJC's concerns regarding our fiscal health are ongoing.

¹ We will update our objectives during our first meeting of the year on September 6.
